PROFESSIONAL EXPERIENCE

Communication and Change Management Lead Consultant: Allstate Illinois May 2017 – Present

- Plans and implements communication and change management strategies for the 16,000 employee Claims organization by partnering with senior leaders, project management and lines of business to support business goals
- Develops effective and engaging communications through strategic messaging with technology, media and design
- Supports new products and processes through strategic consulting and cross-functional working teams

Social Media Community Manager, Communications: Allstate Illinois Sept. 2014 – April 2017

- Developed Allstate's internal communications platform for 16,000 Claims employees in 150 offices across the country, and an analytics platform used to optimize engagement and produce quality content
- Built social media employee community used as the knowledge management repository where employees would find on the job resources and information, ask technical questions, collaborate and share ideas to improve products and services
- Led more than 80 regional community managers by providing educational and technical support to grow engagement, customize and localize the knowledge management platform's design and functionality based on communication and business needs

Corporate Relations: Allstate Insurance Arizona May 2011 – June 2014

- Created and implemented regional communication and community management strategies for internal and external campaigns in the Southwest Region, earning 13 public relations awards and contributed to the leading customer loyalty score in the country
- Collaborated cross-functionally to rebuild partnerships with independent agencies by creating and producing a communication platform that resulted in a 2014 International Association of Business Communicators (IABC) Award of Excellence for publication design, as well as 35 percent increase in active agencies and exceeded sales goals for the first time in four years
- Planned and executed a reputational and community relations campaign including a playground dedication, internal and media relations and a school supply drive that earned two national Public Relations Society of America (PRSA) awards, five regional PRSA and IABC awards, 150 media placements and increased both agency relationship and customer survey results

Freelance Web Design, Social Media and Technology Consultant Arizona Aug. 2006 – Present

- Designed websites and digital marketing campaigns focused on customer and user experiences, as well as converting website visitors to customers using creative platforms including WordPress, Adobe Creative Suite and coding using best practices
- Managed customer relationships and support requests on projects including web maintenance, social media marketing, search engine optimization (SEO), content and quality link building
